IN PREPARATION OF EASTER – please take a stone:
The story represents the problems, sinfulness, and challenges in your life; think of the sufferings and burdens that you carry. Place them in and on the stone. Think of that stone as if it were a sponge soaking up all those things that worry you. When you come to venerate on Good Friday, bring the stone with you. Put it in the basket at the foot of the Cross of Christ, and leave it there. Give the stone and all it holds into the care of Jesus on the Cross, and know that with his suffering, Jesus has redeemed you and given you the love and strength you need to face each day.
